COLLECTIONS OR DUPLICATES OF COLLECTORS SOLICITED FOR SALE AT PUBLIC AUCTION

I am holding this one day's sale to forestall the big sale which I will hold in January. The offerings are almost entirely different than in my September sale. Roman First Bronzes, California Gold Dollars, Half Dollars and Quarter Dollars, 1798 U. S. Cent a rare variety in choice uncirculated condition, Broken Bank Bills especially choice. Also a nice collection of English Silver Coins. A set of excessively rare German Patterns issued in 1913 of which it is claimed only 12 sets were issued.

There is plenty of good material to please most anyone as to variety and quality.

My mailing list contains over 1000 active collectors. There will be distributed over 1200 catalogues. My business has been established over 25 years and am ready to sell collections large or small. Terms on application. I can show you good results and furnish testimonials of my work in the past.

Send in your bids promptly, do not wait. Bids are apt to be overlooked or arrive too late if sent at the last moment.

Why do a few bidders wait until the last moment?

Be sure to bid on the right lot and bid by the piece and not by the lot or I will be compelled to refuse all such bids sent. Be sure to write down the right number that you intend to bid on as I will not be held accountable for any such errors.

Wishing you the compliments of the season, and that your patronage will be generous, with thanks for past favors.

WILLIAM HESSLEIN,

101 Tremont St., Boston, Mass.

P.S.—The auction house of the Wm. K. MacKay Company is located right near my office. Will also be pleased to make hotel reservations if notified in advance.

TERMS OF THIS PUBLIC AUCTION SALE

This is a public Auction sale and bidders unknown to me are requested to give bank or other reliable reference or their bids cannot be executed. Or otherwise kindly forward in advance remittance of 25% of the amount of your bids. Auction sales are strictly for cash. Your bids are as binding as any contract, so do not bid unless you are sure you can pay for what you bid on. No claims will be allowed unless same are made promptly. The cataloguer has endeavored to describe all coins fairly and to mention any defects.

Coins and medals, &c., are sold at so much per piece. If there are 3 pieces in a lot and you wish to bid $4.50 for the lot then bid $1.50 for each &c. A 5 percent charge will be made for packing & shipping on any coins purchased. Send your remittance by money order New York or Boston draft as checks sent by parties unknown to me would have to be verified.

Send in your bids on receipt of catalogue as many bids have to be entered and it is always to the advantage of the bidder to send his bid in at once. In my last sale some bids came in too late and could not be executed.

Do not bid less than the bullion value of silver and gold coins. A silver coin is always worth its bullion value and considerable over this as a rule, and gold coins dollar for dollar. All coins are guaranteed genuine in this sale.
